STREET SHEET 2016

Available help for those who are experiencing homelessness or are threatened with homelessness.

The City of New Bedford's Homeless Service Providers' Network (HSPN) has created this "Street Sheet" to identify some important resources available to you—where to get a meal, how to find shelter and where to call for help that you need right now.

This information is updated semi-annually and some providers or programs may have changed since the last revision. Check each agency to verify their current service capabilities.
